1. What are you going to do when I come through you like lightning?
What are you going to do when I heal the multitudes?
What are you going to do with Me?
Where will you take Me and what will you become?
Where will I take you and what will we perform?
Where will we take each other that we cannot do alone?
Where and what will you to have to do with Me now that you are Me and not you alone?
You are Me and covenant complete light each other and never leave the/our presence. I love you.

2. Lighting the earth we do now. I love you.
Lighting worlds unknown I/we do now.
No-shortage-ing My people, giving them grace mercy and comfort for their ashes not; Beauty, giving them beauty, Me, true beauty, in the eye of the beholder not, not as thought, not as sung, but as promised by My Father in heaven, you, in whom the world turns and heaven is My footstool not as thought, not as real, but in you is the Kingdom of Heaven real and entered through.

3. I am the gate, surrender, meekness, to the point of hearing/knowing Me and allowing Me to reveal you to your Father, Me, you; in whom is no shadow or variableness of turning, one'd. I love you.

4. I am the gate, the way, the path and life and no man can enter without Me.
See how hard they try, to no avail. I love you.

5. Sheepherding My people not, but picking out their burrs, washing them, eating with them at their/My/our table, eye-salving them and comforting them for past mistakes and robbery attempted and showing them the legit way of Me. I am the way, the truth, the life, and no man cometh to the Father unless the Son draw him. The Son, the Son that's become the Father, for Psalm 110 shows that I've traded places and put you in Mine and taken yours and revealing Myself now to My all are, am. I am I Am-ing My body.

6. And **behold the Lamb supper'd slain, in whom is no remorse, guile or self-taint and no shadow exists in any more. Lightning'd. Bang! Pow. Snap, crackle, pop, and what was that!?, and new and old in same wineskin no longer, new giving way to**

control, old, not; but old busting and controlling no more, and new gives way not. Old is shed and Beauty beheld beholds Beauty and Beautiful is the lamb slain in newness of life, fuel of Me; The New Creation; man'd not, Me'd, Me coming through My slain. Thank you.

7. **Into Me see the crowds beholden to Me**, beholding and wanting to behold and wanting to answered be to how this is/can be, in/for them, their faith life, their faith being, **their faith unsurpassed only by their commitment to tradition and control; sorry**, sorry not. I love you and them and, all is as was not coming easy: **through the desert and cost and trial and pain and many giants and travail must.** A man of many sorrows, did I not say? Yes, I said. I wrote it Myself. Acquainted with grief, learning many things and much ado about nothing not. **I learned it all from My heavenly Father through suffering, suffering, suffering at the hands of My who love Me** and; think it not strange your flesh will suffer too/also, and **no other way but through the Cross and you carry it, you lay there and you arise as it/you are raised to die/hang naked and be made fun of and poked at, spat upon, and disdained, cursed, and friends leaving, calling you names, separating themselves** and withholding themselves from you at midnight, walking the other way.

8. Into My booths of feasts see.
Into My feasts see.
Into My suffering see.
Will you know Me?

You do, you have; you died and arise at midnight, before, lightning and healing all not, but who My Father tells you. I am He, you are Him, we are one and glory to the lamb slain. We are one.

9. Behold what I do with one slain, NOW, many beholding and coming to behold and listening to your/My words first person where I preach/teach slay the word of man for hours on end and first person all who will let Me; slaying the demising doctrines of devils concatenated over centuries, antichrist. I love you.

10. I give you Me at the crack of dawn not, before and now, minutes, in your arms we make love not, we are love, displayed personified and behold The lamb slain/loved/loving/interceding for those never seen, even those who spit upon you/Me.

11. I love you. **Forgive them. They know not what they have done, yet merciful be**. For this hour is upon Me and I seek not My own, only those you have given Me. Glorify Me that I may glorify you and take Me not out of the world but let them eat My body and drink My blood, now, that is only you; flesh and blood yielded to spirit and truth to become spirit and truth with flesh on it. I love you.

12. Remunerate no one. I do.
Compensate all with the word of My lamb slain.
I will show you what this means and how to do all I instruct.

13. I create. I master am. I plan. I destroy. I uproot. I tear down. I plan. I foundation. I build. I complete. I repay. I avenge. I merciful am. I God am and I am I Am. I come. Behold The Lamb in you slain, now Me.

14. I come forth in My body, pregnant ones awaiting My arrival/appearing who give birth to their son not, Me, Mine. I love you.

15. Into the future/past see and how all future is based in Me/My present, My past not old, My future not far, but all at hand and is and operating in Me all, I do now let you, seen and unseen and all rejected of Me reject Me. I isolate no one. I rejected them not, they reject Me. They choose. All choose and no one chooses for another. All stand alone and **receivers unite, rejecters unite**, and I display My love equity and wrath; fireworks the earth has not seen, never before, never will often, like this. I love you.

16. Into Me see the seen and seethe not. I love you.
Fear not the fear-able-thought. I hold you.
We are one and healing flows, are you ready?
Every wheel/eye/part understood described and call upon Me. I give.
You are Me, covenant complete and what, what is that? Who is he? What is happening in Tulsa? Where is he next? What is this I hear? Can this be? No way, soothsay.

17. Yes, behold The lamb maker not, lamb revealer who cometh now on the wings of man not, My wings, with healing in My/his wings. I love you. Teaching all submitted surrendered drink-offering'd disciples to heal and mealy-mouth be never again; confidenced, significance'd, and where are all the lions?
Lamb slain.
Lamb and lion one before Me is and all know and understood and revise/ing now, all/many do, must, realize, and posthaste prepare for The lamb of all lambs, feasts of all feasts, My forerunner heralds and invites all to.
18. Watch Me.

19. <u>The blood will flow in the streets.</u>
Can this thing be?
How holy is he, Me, this thing which cataclysmic is?
Righteous?
Come let us reason not, behold the virgins 10 and who has the oil of righteousness holiness and meekness purity'd?
They shall see Me.
They shall be Me.
They shall carry My Son, birth My Son and realize in labor a nation born in a day, bringing forth the mightiest people the world has ever seen.
No force can withstand My love and they so respectful are, with deference and meekness they lead/marshal forces strategic to the sound of My voice and many waters flee/are. I love you. Amen.

20. More to you, shall I say, give, declare more details? Yes and amen and all coming clear and clean before their eyes, and the workers of iniquity will hide/fall upon their swords; repenting some, beholding some, and all, all, all choose. **Choose this day whom you will be.** Amen.
